

Energy Cost Reduction

EPM is excited to offer alternatives to our clients for their energy needs. Through our Electricity & Gas savings program we are providing our clients with an opportunity to have a competitive advantage through a cutting-edge auction platform that enables customers to get the most competitive pricing. To provide this service we have partnered with Transparent Energy, a consultant with decades of experience and access to a large supplier network. Efficient and transparent energy is possible for all EPM clients, reach out today to learn more about this incredible program.
